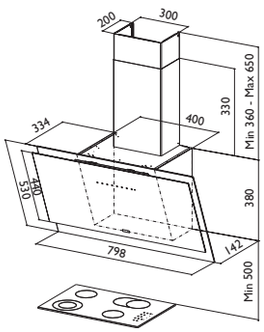
Vero

PRODUCT PHOTO

DIMENSIONED DRAWING



Vero is a beautiful tilted hood that is available in either black or white glass. The white model is supplied with a steel chimney, whereas the black hood comes with a matching chimney as standard. Vero has a reversible energy-saving motor, which allows your installer the option of ducting out from the top (vertically) or straight out the back (horizontally). The stylish design also means that the hood can be installed with or without the chimney.

TECHNICAL INFORMATION

Energy class	A+
Extraction (m^3/h)	220/380/530/620 (B 740)
Noise level (dBA)	44/57/64/68 (B 72)
Lighting	2 x LED
Outlet dimensions	120/150
